

CAPABILITIES STATEMENT

HELPING PEOPLE AND COMMUNITIES IN THEIR GREATEST TIME OF NEED

Responsive Deployment, LLC (RD) offers a full line of specialized products and services to respond to the urgent needs associated with global events. We design, implement, and manage customized solutions to help our customers with the growing need to generate resources and streamline approaches creating operational efficiencies throughout their organization.

CORE COMPETENCIES

INTEGRATED LOGISTICS AND SUSTAINMENT

We support the U.S. Armed Forces and other government agencies within CONUS, Iraq, Afghanistan, Kuwait, Japan, Korea, and other military installations around the globe.

SUPPLIES AND SERVICES

We have strategic alliances with a CVE certified, Service Disable Veteran Owned Small Business (SDVOSB) serving multiple Government and Commercial clients with our expertise in Logistics Support and Business Systems solutions.

FULL LINE OF SPECIALISED PRODUCTS

We are committed to delivering quality services and optimized solutions that meet every client's unique requirements. From disaster relief, catering, and long-term "man camp" style housing to constructing a new maintenance facility, RD delivers cost-effective solutions that will help you meet your operational goals.

CONTRACT VEHICLE BLANKET PURCHASE AGREEMENT (BPA)

RD manages a BPA awarded to Ranger Land Systems through the Department of Homeland Security, estimated over the next five years is approximately \$3 Billion.
